Preferred time eg Morning, Afternoon, Evening		

Group Tours are arranged to fit with the schedule of productions and presentations at the Theatre, and may take place morning or afternoon, or if there is no evening production, in the evening.

Tours are staffed by volunteers from the Guild of Players, and are offered to membership groups from organisations, student groups, or groups from schools aged 10 and upward.

The suggested maximum per group is 12 children plus accompanying adults, or 15 adults in a membership group.

If you have a particular area of interest, please let us know eg Burns and the building of the New Theatre, J. M. Barrie and the Theatre Royal; other town centre destinations can tell you more – Burns House, Dumfries Museum, Moat Brae, the Globe Inn

#### ACCESS

Please be aware that though the majority of the theatre is fully physically accessible, the basement is not accessible for mobility impaired individuals, and we don't advise those with visual impairments to go; a video/sound link shows what it looks like, and our volunteer guides will describe, and answer questions, what is there, and what it is used for.

There is access to the upper floors, but we regret that the lighting box is not yet fully accessible.

The cost per head is £XXX for membership groups  
Schools tours are £XXX
